SAFETY GUIDELINES

To achieve maximum safety while using your Razer Adjustable Laptop Stand, we suggest that you adopt the following guidelines:

Don't take apart the device, and don't attempt to operate it under abnormal current loads. Doing so will void your warranty.

Should you have trouble operating the device properly and troubleshooting does not work, unplug the device, and go to support.razer.com where you can find FAQs, guides, and contact information to our Razer Advocacy team.

Always place the laptop stand on a stable surface to prevent accidental falls and make sure that it's positioned securely to support your laptop.

When positioning your laptop on the laptop stand, make sure it's centered on the stand's top plate.

Position the laptop stand away from the edges of desks or tables to prevent accidental falls.

Keep the laptop stand and all its components and accessories out of reach of children and pets to prevent injury or damage.

MAINTENANCE

The Razer Adjustable Laptop Stand requires minimum maintenance to keep it in optimum condition. Once a month, we recommend that you clean the laptop stand using a soft cloth, cotton swab, or brush to prevent dirt buildup. Don't use soap or harsh cleaning agents.
